Chamber Of Commerce Gets A Few Hints

A FEW HINTS on how to go about preparing an inter-urban land report were given the Daly City Chamber of Commerce last week at their luncheon meet by James E. Fitzgerald (left) president of the San Mateo county development association. Chamber President Robert Hunter at right introduced Fitzgerald. The local Chamber plans to make a survey on the need for industry here in the near future. Fitzgerald said Daly City was setting an example in the county by being the first city to embark on its own land report. THE RECORD photo

IT'S OFFICIAL -- CITY CENSUS SHOWS 23951

Official figures for Daly City's census were released this week by the U. S. department of commerce, showing the population here at 23,951.

The figure places Daly City in the county in point of size, trailing only Redwood City and San Mateo.

The population rise, 8760 over the last census taken in 1950, will bring Daly City approximately $50,000 more annually in state revenues. This will be in addition to $99,992 in revenue anticipated for the 1953-54 fiscal year.

The population increase from 1950 to the recent census was 57 per cent, the commerce department said. The census also showed 7702 occupied homes in Daly City.

Also revealed in the count was that there are more women in Daly City than men. Tabulation showed 12,016 females, to 11,936 males.

Andersen said a total of 194 non-white persons are living in Daly City.

THE TOWN RECORD

By MONTE DAYTON

City Attorney FRANK BLUM and wife, LOIS, got shocked last week when reporting promptly for a club meeting.

After a sufficiently long wait, Frank remembered he had the right place, time and day, but the event was a month later.

DARYL TILLMAN HALL, 15-year-old Jeff youngster who suffered critical injuries recently when hit by a car on Alemany boulevard, was brought home (170 Los Banos) from the hospital Friday.

His mother, MRS. CLYDE OLSEN, thinks the DC cops who helped bring the boy upstairs are a pretty darn nice bunch of flatfeet.

MR. and MRS. VICTOR BAHER, he's the police commissioner, celebrated their 25th wedding anniversary this week.

Just one day before the event, their daughter, MRS. WILLIAM COLEMAN, gave birth to a daughter, SHAUNA LEE.

Well timed.

JOE SARTO, the man who's always there with the helping hand when it comes to sports and recreation, was considerably miffed that LARRY BLANCHARD, one-time Jeff basketball ace and more recently red-hot on the San Mateo JC five, got declared ineligible for the SMJC team.

Blanchard was booted for competing in an amateur league dur-

Supervisors Veto Encircling Annex

The county board of supervisors, in a letter to the city council Tuesday night, turned thumbs down on proposed annexation of portions of Castle Tract Homestead, Garden Valley Land Association and Abbey Homestead association to the city of Daly City.

The board said the proposed annexation would result in unincorporated territory being completely surrounded by the city of Daly City, which is contrary to state annexation laws.

However, the supervisors gave the go-ahead on annexation of portions of Garden Valley Land association and Abbey Homestead.

Jensen To Run For County Coroner Job

San Mateo County Coroner-Public Administrator Paul B. Jensen has announced that he will seek to retain the post at the June 8 primary.

The 46-year-old Menlo Park resident was appointed by the board of supervisors on September 23 from a field of 18 candidates. At the time of his appointment he was an inspector in the sheriff's office at Redwood City and head of the narcotics bureau.

Jensen has been a resident of San Mateo County since 1939, joining the sheriff's office in 1941. He served three years with the navy during World War II. While holding down a full time job in the sheriff's office, Jensen attended the Lincoln University School of Law in San Francisco four nights a week for five years, receiving his law degree last October.

He is past president of the San Mateo County Employes Association, numbering more than 1000 members; a member of the San Mateo Elks Lodge, Redwood City Optimist Club, Redwood City American Legion Post, Redwood City Eagles, Bay Area Peace Officers Association, Boy Scout area leader, Willow School PTA and others.

BRUNSWICK BID IS LET

Cost May Be Cut By One-Half, City Says

Contract for completing the controversial Brunswick street extension wall was awarded Tuesday night to Bernal Construction Co. of Brisbane, low bidders with a figure of $19,935.

However, the council plans to draw up the contract in such a way that the price can be cut almost in half if part of the wall is done by private interests, Mayor Anthony Gaggero said.

H. H. Smith and John Dykman have indicated that they might level off a portion of the wall, making it necessary for the Bernal firm to construct only the first level of the retaining wall.

The awarding of contract had been held up because the low bid was 15 per cent higher than the state estimate. Since the state is to participate financially in the project, the low bid must not be more than five per cent above the engineer's estimate.

It will take a few days for the city attorney to draw up the contract for the job, according to the mayor.

"We want the work to begin as soon as possible after that," he said.

ACCUSED CHECK PASSER HELD ON NARCOTIC COUNT

A 25-year-old man who was wanted in Daly City for allegedly passing several bad checks last October is now in custody of sheriff's officers awaiting sentence on charges of possession of narcotics.

Police said Donald Gould, alias John J. Welsh, had written several fictitious checks in the north county area against the Kwik Frozen Foods Products company.

He was picked up Sunday by sheriff's officers and they said his record showed numerous narcotics offenses.

Gould appeared in Superior court Tuesday and the case was continued until March 1 at 1:30 p.m. He will receive sentence at that time and probation report will be read.

Gould allegedly passed three checks in Daly City and several in the Millbrae community.

After verdict on the narcotics charge, he will be held to answer on the Daly City and Millbrae check counts.

Local Stations Site For Transit Study

Two local stations were the site Wednesday for one of the first motorist interviews in the comprehensive survey of Bay Area commuter travel in connection with the Bay Area rapid transit commission study in the nine-county San Francisco area.

Answers received will be used by the commission in arriving at a plan for the speeding and smoothing of Bay Area highway and transit movement.

The transit survey will cover the six major inter-urban systems. Passengers will be questioned on all routes. They will be given IBM form cards on which they will be asked to write the answers of five questions about their trip.

One questioning station was in Daly City and the other in Colma.

Vehicle Department Suspends 3 Licenses

Licenses of three local drivers were suspended in recent action by the state motor vehicle department.

Receiving suspensions were: T. Laka Bobo, P. O. Box 412, Colma; Stanley Edward Mohr, 212 Westbrook street; and Thomas Richard Syme, 356 Winchester street. Mohr's suspension was for a 30-day period only.

Placed on probation with the department were Larrington Vernon Comer, 159 Santa Cruz avenue, and Jack M. Lewis, 77 Clifton drive.

Permanent reinstatements were granted to Forrest Shippard Baker, 80 Los Olivos avenue, and Charles Walter Graf, 1739 Sweetwood drive, Broadmoor.

Seven Will Run For Council Seats

COUNCIL SETS 8 HEARINGS ON RE-ZONING ITEMS

Call Bids On Three Projects March 22

Public hearing on eight re-zoning matters was set for April 26 by the city council at their meeting Tuesday night. (See page 7 for details).

The council also called for bids on three city projects.

March 22 was set as the day for opening bids on the following work: Construction of a sand trap at the Westlake well site; relocating a 14-inch pipe line at the intersection of Alemany and Lake Merced boulevard and installation of a 12 inch pipe line on Southgate avenue; grading, paving and installing storm drains at the Westlake well site.

DEFECT NOTICES GO TO 62 IN TRAFFIC CHECK ON MISSION

A total of 62 drivers were given mechanical defect notices for faulty lights in a traffic check held Friday for north-bound traffic on Mission street.

There were 826 cars stopped in the check, which was held in front of the community center.

One driver had been drinking, police said, but was ordered home and no arrest was made.

The check was supervised by Officers Les Bastedo and Henry Sundermann, assisted by seven auxiliary policemen.

LOCAL GROCERY HOLD-UP SOLVED IN SF CRACKDOWN

Capture of two youths suspected of maintaining a dope headquarters in San Francisco Tuesday resulted indirectly in what probably is the solution to an armed hold-up of a Daly City grocery store February 8.

Albert J. Woodworth, 22, walked into the alleged dope ring hideout Tuesday night after police had picked up Donald Michael Ryan, 20, of San Mateo, and Kenneth Evans, 19, of San Francisco.

Police found a gun on Woodworth and held him for a routine charge of illegal possession of a weapon. Later, San Francisco police said, Woodworth confessed to driving the get-away car on February 8 when two gunmen held up Vista Grande grocery, 201 Vista Grande avenue, and escaped with $67.

After further interoggation, Woodworth implicated Richard Rolley and Anthony All, who are now being held by Los Angeles police for a series of armed robberies in that city.

Woodworth, also believed involved in the LA robberies, was booked en route to Los Angeles.

Woodworth said he drove the get-a-way car here this month after All and Rolley had forced Mrs. June Fletcher, proprietor of the Vista Grande store, to turn over $67.

The men, both armed, forced Mrs. Fletcher into a back room while they made their escape.

NEW COMMISSIONER TO ATTEND FIRST MEETING MONDAY NITE

Mrs. Charles Keith, newly-appointed member of the Daly City library commission, will attend her first meeting of the group Monday night.

She was named to the commission recently by the council to fill a vacancy created when Henry Sundermann Sr., president of the commission, resigned.

Mrs. Keith lives at 118 East Vista avenue. She has worked part-time at the local library, but announced this week she would withdraw her name from the civil service eligibility list, since the position of commissioner and library employee would conflict.

Mrs. Keith is also employed as a columnist for THE RECORD.

TWO CANDIDATES FOR POLICE COMMISSION

Filing for the Broadmoor police commission ended Wednesday at noon with two candidates declaring their intention to run.

They are Sam Peoples and Harry Brown. Peoples is a magazine writer, while Brown is an insurance investigator. Brown also served as a part-time officer on the Broadmoor police force.

Only one commission post, that of Frank Corso, will be on the ballot. Corso will not seek to run again. The election will be held April 5.

THREE CHILDREN HURT IN MINOR ACCIDENTS HERE

City Truck Involved In Two-Car Collision

Two children received minor injuries Tuesday when struck by an auto at the intersection of Knowles avenue and Mission st.

Treated for hurts were Carolyn Aiello, 8, 3242 San Jose avenue, and Barbara Hess, 8, 379 Willits street.

Police said Ruth Thelma Green, 38, of 166 Santa Cruz avenue, was going east on Knowles and had stopped for the arterial. As she pulled away from the stop, the children ran in front of her vehicle, officers said.

The Aiello girl was hit by the car, while the other youngster attempted to jump out of the car's path and in doing so tripped and fell to the pavement.

The girl hit suffered leg bruises and a possible fractured ankle.

The other girl received only superficial injuries.

The driver was not cited.

In another accident this week, six-year-old Steven Rather, 257 Westlake avenue, received minor injuries when hit by an auto driven by Vance Wildman, 29, of 74 Garwood drive.

Willman was driving a milk wagon west on Citrus Monday and as he approached the Woodrow street intersection the boy sped in front of his car on a bicycle. The driver applied his brakes, but could not avoid hitting the youth.

Attendants at Junipero Serra hospital said the child was only shaken up a bit.

Wildman was not cited by the police.

A two-car collision Wednesday involving a city truck and another vehicle resulted in minor damage to both cars.

According to the police report, Steve Kolinos, 19, of San Francisco, was north bound on Mission when he collided with a city truck, also north bound, being driven by Amedo Gonella, 50, 122 Winchester street. Apparently Gonella had just pulled away from the curb in the slow lane when the Kolinos vehicle collided with his. Neither driver was cited.

OK On Baptist Church

The city council Tuesday night received a letter from the planning commission recommending approval of proposed plans for the Westlake Baptist church.

The structure will be located at Southgate and Elmwood drive.

Off-street parking has been provided for.

PLATFORMS NOW BEING CONSIDERED

With a total of four candidates now declaring their intention to run for council April 13, platforms began shaping up this week.

The latest candidate to take out papers was Del Wilson, who unsuccessfully ran in the municipal election two years ago. Meanwhile, Owen D. English, Colma welder, who took out papers last week, filed Wednesday night, becoming the first to formally make his bid in the April race.

Wilson is a real estate appraiser who lives at 257 Hillside boulevard. He ran with Tom Tromborg in the last contest, polling 525 votes.

The real estate man is a member of the FOE, Woodrow Wilson PTA, and served one year as director and three years as treasurer of the Edgewood Hillside Terrace Improvement association.

In the last campaign, Wilson and Tromborg presented a platform of improved transportation, parking, and establishment of police and planning commissions.

The three incumbent councilmen who come up for election April 13 will seek to retain their positions, it was learned today.

Councilman James Kennedy had already declared his intention to run for re-election, but councilman Paul Green had made no statement, and there was doubt whether Mayor Anthony Gaggero would enter the race again.

However, Gaggero announced today that he had conferred with Green and Kennedy, and they had all decided to run for re-election.

A disabled war veteran who served 3½ years in the construction battalion with the Third Marine division, Wilson has two children.

First candidate to file, English, said yesterday that his platform was not complete but gave as important points traffic control and revisions of zoning and annexation laws.

Sanford Vickers, who declared intention to run last week, this week listed five items in a preliminary outline of his campaign program. First, he called for complete uniformity in government, meaning more cooperation between the council and the various city departments.

Secondly, he asked for foresight in planning for future development and enticing of suitable industries here to broaden the tax base and take some of the tax load off the individual homeowner.

Complete cooperation of all civic organizations in presenting their views on various municipal

SCREENING GROUP SETS BOARD QUALIFICATIONS

Election of officers and setting down of nine qualifications needed for the "ideal" elementary district school trustee highlighted Thursday's meeting of the League for Better Schools, held at the council chambers.

The citizens group was recently formed for the purpose of screening candidates who seek to run for the Jefferson elementary school district board of trustees.

Thomas Jenkins of Broadmoor was elected president, while Mrs. Jack White was named vice president. Mrs. Thomas Mullen will serve as secretary and Mrs. Carl Berg is treasurer.

By-laws for the group were adopted and agreement was reached that the president of the organization should not be allowed to run for trusteeship.

Nominated for the qualifications committee were: Mrs. Mullen, Mrs. John Bergstresser, Mrs. Dick De Barry, Mrs. Robert Cochran, Mrs. Irwin Silberstein, James Mckay, Sanford Vickers, Ted Weeden, Lee Lester, Arthur Bodien, and Harold Blumenthal.

Education committee members are: Mrs. John Sorenson, Mrs. Carleton Read, Mrs. L. Sundman, Mrs. Grant Holman, Richard English, Carl Berg, Dr. John Eiler, Edmond Cyr, and Lt. Col. William Trbine.

Publicity committee consists of Mrs. Mullen, Mrs Bernard Mayville and Peter Markovich.

The League hopes to install interest in school program and trustee candidates in order to insure better education for the community's youth.

Qualifications for the ide trustee were listed as follows:

1. Have a sincere interest in and devotion to public education.
2. Have the capacity for human understanding and ability to work and get along with people.
3. Have an inquiring, open mindedness and be not unduly influenced by and base decisions on feeling, prejudice or personal interest.
4. Be of recognized integrity and not seek to profit either financially or politically from board membership.
5. Represent all the people of the community and not any one special interest or group.
6. Be interested, informed and articulate and possess good judgment.
7. Have the ability to efficiently and wisely cope with financial problems of the district so as to get the most value out of funds spent and be able to effectivly expedite any plans undertaken.
4. Have confidence, respect and regard of the community in order to be able to carry out the tasks for best interests of all.
9. Be willing and capable to protect educational interests of school children of the community.

The board added that in choosing prospective trustees, recommendations should be made that would bring persons with diversified interests and backgrounds together on the board.

Seven To Run For Council Seats

(Continued from Page 1)

problems was also mentioned as part of his platform. Several scattered parks conveniently located in various districts for easy accessibility to children was another plank in the Vickers' platform.

The fifth part of his program called for careful scrutinizing of the city's income and budget and a method whereby the public could be kept informed of the status of the budget and income.

Michael De Bernardi, who also took out papers last week, said that he would renew efforts to establish a local post office here. Other planks in his platform included: Weekly report from the council to the people so that they can be better informed on city government; Establishing two-hour parking on Mission street and efforts to secure off-street parking; change in the attitude of the city council so that all the people instead of a few are considered; new organization policy.

De Bernardi claims that there is too much "buck passing" under the present set-up and no harmony between the council and the various commissions. He maintains that councilmen should visit civic and social organizations and school boards once a month to acquire more insight into their problems.

Portsmouth Plaza in San Francisco was a favorite retreat of Robert Louis Stevenson when he lived in the city in the 1880s.

OLYMPIA SCHOOL BID AWARDED

Bid for construction of Westlake's Olympia school went last week to Vince M. Brown & Sons of Palo Alto at a price of $218,050.

Of the eight bids submitted, they ranged from the Brown company's low figure to $238,000, from B. L. Giusto Co.

Use of the lift-slab process in the building was not called for in Brown's bid. The trustees had through that this type construction would be used, but the bids which included this process were too much higher to warrant the added expense.

Alternates in the Brown bid were: Alternate No. 1, minus 3100 (no lift slab); Alternate No. 2, plus $1800, tile in lavatories; Alternate No. 3, plus $3500, galvanized windows; Alternate No .4, minus $11,800, new-type lighting in ceiling; Alternate No. 5, plus $150, formica in place of wood for fixtures.

The district attorney's office has cleared the contract and the construction company said they would begin work immediately.

School officials hope to see the building completed by Easter of next year.

ing the regular college season.

Sarto says the school regulations need re-vamping.

His complaint: Sports sponsors kick through with $500 or $600 to finance an amateur team, then they have trouble getting enough athletes together to make a full squad.

He furthers his point by saying that the high school and college athletic programs do not offer enough activity for boys really interested in getting out and playing all the time.

Broadmoor police commissioners pointed out how it was going to cost the district $250 because a second candidate filed for a police commission post.

Had their been only one candidate, the position would have gone to the one man by appointment. Now the district's got to hold an election, the tab for which runs $250.

Back in the U. S. again after a cruise of the Caribbean, is MRS. LOIS VICTORIA MONGAN, 675 Niantic avenue, wife of JOHN MONGAN, Jeff high vice principal.

On Monday she landed at Mobile, Alabama. She'll be surprised to see the weather here not unlike that of the Caribbean.

SANFORD VICKERS, council candidate, and wife, JERRY, gave a real George Washington's birthday to some 20 tots Monday as they escorted the kids on a train ride from Third and Townsend to South San Francisco.

Vickers, an SP engineer, was at the throttle, while the Mrs. was tender (of the kids).

G. SNOW and A. AKER provided transportation to and from the beginning and end of the run and ice cream was the fare after the trip.

Gateway Lead N. Calif. Dealers In Car Sales

Gateway Chevrolet Co., which moved into Daly City only a year and a half ago, set the pace for all Northern California Chevrolet dealerships in January by leading all their competitors in the sales of new automobiles and trucks.

Operated by Jerry and Carroll Mincher, the Gateway Co. began operation in Daly City in October of 1952 at 7400 Mission St. At the time the company employed 14 people. Since that time the dealership has grown until it now has a payroll of over 70 employees, the regular sales building, two used car lots, and a body shop on Junipero Serra boulevard.

Included on the Gateway payroll are many local people. George Schnizizi, top mechanic at Gateway, was born and raised in Daly City.

Don Funge, automobile salesman, was born in the building next to Gateway. Vince Bowman, used car manager, operated his own lot in Daly City for years. Al Stack, new car sales manager has a home in Brentwood, while Bill Kearney, salesman, was also raised in Daly City.

The Minchers feel that the growth of Daly City and the area has been one of the important factors in Gateway's advancement. They also believe that their company has added materially to the increase of business in the area, and helped to further the recognition of Daly City.

GI Enjoys Reading Daly City Happenings

Dear Sir:

I just got my port call the other day so I thought I would write you so you could quit sending me THE RECORD.

I want to thank you and your staff for sending the RECORD to me while I have been in the army.

It was good to read of the many things that were going on around Daly City. I have really enjoyed receiving it. In closing, I want to thank you again.

Sincerely yours,
J. C. Vaughn Jr.

H. H. Smith Says Taxpayers Not Getting Money's Worth On Market Street School

Gentlemen:

The voters in the Redwood City area, in turning thumbs down on two school bond elections last week, undoubtedly intended such an action as a long-overdue notice that they are fed up with seeing millions of dollars voted for class rooms, and then seeing so much of the money squandered.

I can't help but wonder if there would have been any favorable votes at all in that election if the dissatisfaction with the way school bond money is spent would have been based on anything like the example we have in our own school project at Hillside Boulevard and Market Street.

Can anyone come up with a project giving an equal or better demonstration of just how little you can get for so much spent, whether it be from an economical, efficiency or aesthetical standpoint?

Very truly yours,
H. H. Smith

QUAKE REVEALS CHARACTER

The other day we had an earthquake here in Hollywood and I remembered something I learned four years ago.

It was just about that long ago that I met a man in Detroit who said three words I can't forget. They weren't the three little words immortalized in song and story, the ones a woman treasures in her memory and needs to hear periodically as she looks across the livacross the living room at the dope who is now her husband, the ones whose reassuring quality makes the irritations of daily living in close quarters as a family unit seem worth while. But they are almost as important.

Determines Character

The words he said were, "Function determines character."

The man who said the words was named Dave, last name now forgotten. He was a would-be writer who made a living as an automobile mechanic and didn't seem to have time to write because he liked to talk too well.

The thought expressed in that phrase gave me a fresh insight into human nature and since those Detroit days I've often applied it when I've met new people and wondered what made them tick. But being human, sometimes I forgot. Then I tend to charge a person's shortcomings to selfishness, malice and pure cussedness.

After the quake hit and people started talking about it, I was reminded of Dave and his "function determines character."

The previous big temblor, the one in July of 1952, that took two lives and wrecked Tehachapi, occurred at four in the morning. For weeks thereafter the favorite indoor sport was playing the game of—"What were you doing during the earthquake?"

Same Routine

Because of the early morning hour when the buildings rocked, most everybody's story started off with the same routine words—"I was sound asleep when all of a sudden . . ."

But this latest quake hit at 3:34 p.m.

Due to the wide variety of occupations followed by Los Angelenos during mid-afternoon, the way was clear for the recital of all sorts strange activities interrupted by the shaker.

That evening I tried an experiment. Since I am engaged in several enterprises that involve a lot of different people, I tried asking them what they had been doing at the exact moment when the earth shook and the buildings swayed. In every case I got enthusiastic, detailed accounts.

The answers were remarkably revealing precisely because Dave's theory that function determines character is so true.

Central Focus

When you learn how a man or a woman earns a living you have a central focus around which many of their psychological and social attitudes fall into shape and make a meaningful pattern.

During the course of the evening I attended a rehearsal of an Arthur Miller play, "All My Sons." I was playing a minor part in putting this drama on the boards and although we had been rehearsing for several weeks, thus far I knew the members of the cast mostly in their professional roles, as aspiring thespians.

Now, suddenly, in answer to my earthquake question, I inadvertently discovered the various expediencies by which my associates coped with the drab necessity of paying room and board, making money.

Surprise!

Often the revelations were surprising. For instance, a girl who had given me the impression she did big things in an advertising agency admitted without premeditation that the quake broke some dishes in the drive-in where she car-hops.

And so it went all evening, one illusion after another shattered.

The ingenue in our play was a fresh-faced and charming girl named Beverly Gordon. From her diction, her clothes and general attitude I had assumed she was an ambitious socialite who was willing to work with us plebians in the furtherance of her career as an actress but who normally spent her afternoons with the Junior League.

Turned out she was a happily married woman living in simple domesticity. In answer to the question she confided, "Our big old dog dived under the couch, like the coward he is. I grabbed the baby and stood in the middle of the room, hugging her, trembling with fear, watching the lights sway, wishing my husband were home."

Through The Window

Another friend allows his intimates to believe that he extracts a handsome living from the mutuel windows at the racetrack. He got momentarily confused when I mentioned the quake and described how the lathe on which he was working trembled despite its solid steel base.

And over in Santa Anita, where the roses were running, turf experts pretended to believe that the grandstand was shaking because of a riot among form followers, the day having been a poor one for the favorites.

Pat Martin, the star of our play, was the only one to admit that he slept right through it all. But Pat is an old friend and I already knew that he cooked the night shift in a Hollywood restaurant, so naturally he slept away his afternoons. Incidentally, Pat won't be cooking long, if the agents and talent scouts in this town have any preceptivity at all, for he does a tremendous job as the father and factory owner in this drama of war-profiteering. Once opening night rolls around I expect that the movie moguls will be rushing up to Pat, fountain pens and contracts in hand.

Cracked Plaster

As for the earthquake itself, what little havoc it did was largely confined to broken gas mains, downed power lines and cracked plaster. The 25-story City Hall, tallest building in town and the only one that violates the 13-story height limit instituted because of just such hazards, suffered some chipping and cracking on the 20th floor and above.

Otherwise the only serious damage was to my self-esteem. Of all the people I quizzed on the subject, not one returned the favor by asking me what I had been doing during the earthquake. They were all too eager to take the floor with their own experiences.

And I had a good story ready, doggone it. At the crucial moment I was sitting in a Vine Street restaurant, drinking coffee and holding the hand of a lovely girl who wants to be an actress, a function which rather reveals my own character, alas.

My Mad World

By Leonore Brewer

Next Tuesday night, March 2, will herald the Opening Night of the Cosmopolitan Opera Company's first annual season, scheduled to continue through March 19. During these three weeks it will present internationally known singers, some of whom are already familiar to opera-going San Franciscans through their appearances with the San Francisco Opera Company. We will also have the opportunity to be present at the San Francisco debut of others who, although acclaimed elsewhere, have yet to make their first San Francisco bow.

A glance through the repertoire, discussed more fully elsewhere in the paper, will show that it is composed of the masterpieces of operatic production which have passed their final test—the test of time. They have proved their worth through rewarding generations of opera lovers with some of their most memorable moments in the theater.

Since Cosmopolitan Opera is presenting a popular-priced opera season, this is as it should be. Much as this writer would personally enjoy hearing some of the lesser known operas (do I dare mention "Nabucco" again?), no one is more aware than I that it is the old favorites, irreverently known as "war-horses," that pull a season through.

A popular priced company holds a very important position in the musically minded community. One might even say that it holds the key position, as it brings opera, the synthesis of all the arts, within the reach of all. Moreover, as the tickets are not sold by the Season, requiring a substantial outlay to obtain the better seats, but by the individual performance, the wonderful world of opera is open to anyone willing to pay the price of a movie ticket.

"Traviata" for Opening Night is just about perfect. For the seasoned opera-goer nothing more need be said. If you have yet to hear your first opera, but have read my column during the past months and have wondered just what all the shouting was about, you have an unparalled opportunity to find out.

"Traviata" is Verdi at his best, and that's really saying something!

Tickets priced from $1.50 to $3.00 (tax exempt) are now on sale at Sherman, Clay in San Francisco, SUtter 1-1331 and the Peninsula Box Offices in San Mateo and Palo Alto.

Safety News From Your Local Police

FILING ACCIDENT REPORTS

This is the logical time for all motorists to check their accident behavior rules. We don't want anyone to have an accident but it is most important that they know what to do if they are involved.

Too often collisions fall into the category of hit-and-run and many of these are due to a lack of understanding of the law rather than a deliberate act.

Any motorist involved in a collision resulting in death, personal injury or property damage of any kind, must stop and give his name, address, license number and the name of the owner of the car to the other driver involved.

Upon request he must exhibit his operator's or chauffeur's license and in the event of injury must also render reasonable aid and inform enforcement officers.

Any injury accident must be reported in writing within 24 hours to the local police if the accident occurs within a city, or to the California highway.

Failure to stop and meet these requirements can result in imprisonment up to five years or a fine to $5000, or both, for any death or injury collision, or imprisonment up to six months or fine up to $500, or both, for any accident with property damage only.

All drivers must remember that the above requirements are in addition to the provisions of the financial responsibility law which makes it necessary to report to the Department of Motor Vehicles any accident resulting in death or injury or any accident with property damage in excess of $100. This report must be made within 15 days.

Accident Report

(Feb. 14 to Feb. 21)

Total: Six accidents.

Breakdown: Five auto-property; one auto-pedestrian.

Injuries: One male, one female.

The class is open to all persons who are eligible for the State examination for the vocational or practical nurse is required; some of this experience has to be classified as hospital work.

Persons who are interested in the class should place their names ion the waiting list at the Adult Center office by calling DI. 4-2575, or by stopping at the office at 124 Baldwin avenue, San Mateo. Register your interest soon since a large class is anticipated.

Two popular business courses are now taking sign-up lists for new sections to be opened in March at the San Mateo Junior College Adult Center.

The first of these classes is the one in "Individual Income Taxes" taught by Mr. Mack McCoy. Mr. McCoy is planning a short concentrated course meeting for four sessions beginning Tuesday, March 2. The class will meet on Tuesdays and Thursdays, 7:15-9:15 p.m., through March 11. This will give persons an eight hour session to review procedures in handling income taxes. Anyone interested in joining the new section should leave his name with the Adult Center office immediately.

The second class now taking a sign-up list is Mr. Adalbert Wolff's "How to Choose Securities for Investments." This has proven an extremely popular class. In a series of eight meetings, Mr. Wolff has discussed some of the considerations involved in planning a satisfactory investment program. The new series will run from March 17 through May 11, meeting on Wednesday nights from 7:15 to 9:15 p.m.

Both of these classes are open to anyone without previous experience in the field. Persons wishing to enroll should pre-register in the Adult Center Office, 124 Baldwin avenue, or call DI. 4-2575.

TIP ON NEW CAR PURCHASE

Even before one goes forth in search of a new car, one should make up one's mind regarding the body style that most nearly fits one's needs, advises the National Automobile Club. With so many types available today, this is more difficult, but the careful buyer will have made a thorough study of his needs and determined which type meets them adequately before he starts his shopping trip.

TRUCK OWNERS KNOW

Truck tires naturally come at higher prices than those for passenger cars, points out the National Automobile Club. Wheel wobble due to bearing wear or wear in other parts makes tires wear out more rapidly. Because the penalty attached costs considerable money, truck operators must against it. In their policy there is an excellent lesson for the owner of the passenger cars.

PT&T Points Up To Telephone Progress

Telephone progress here and in the 1800 other communities it serves was pointed up today by Pacific Telephone in its annual report for 1953.

Mark R. Sullivan, president of the company, said new records of excellence were set in all departments of activity, including amount and quality of service provided, improvements, contributions to national defense, and wages and working conditions of employees.

Sullivan noted two matters on which, he said, "little or no progress was made." The first concerns excise taxes customers may pay on telephone calls. These taxes, imposed during the war added $85,000,000 to Pacific Telephone's customers' telephone bills in 1953, or about $1.90 a month per account. Congress took no action on the taxes during 1953.

"The second matter, and by far the more important, involves our earnings," Sullivan said. "Our earnings in 1953 were at a rate lower than in 1952, and much too low to give us the financial strength we need."

Earnings for Pacific Telephone in 1953 came to 5.46 per cent on invested capital, down from 5.68 per cent the year before.

HOW CAN I?

Q. How can I clean oil paintings?

A. Make a thing paste of raw potatoes and clear water. Add fine pumice stone and rub on the paintings gently with a sponge. Then wipe off with clear water and a clean cloth. It is often advisable to apply a coat of clear varnish when the painting dries.

Q. How can I remove a burnt taste when vegetables, meat, or fruit have scorched?

A. Drop in a small piece of charcoal and the burnt taste will disappear.

Q. How can I clean the mop thoroughly?

A. Try boiling it in an old pail half-full of water, to which one tablespoon of lye has been dissolved. Rinse thoroughly, and the mop will be like new.

Q. How can I clean artificial or "simulated" leather?

A. Wipe with a damp sponge or with a sponge wrung out of mild soap suds. Rinse with a sponge wrung out of clean water. Wipe dry.

Q. How can I make glassware sparkle?

A. Either vinegar or ammonia in the water when you wash windows, mirrors, or table glassware, will make the glass sparkle more brightly.

Q. How can I hasten the work of pressing woolens?

A. When a damp cloth is used for pressing woolens, be sure to wring the cloth out of warm water, not cold. Cold water will only cool the iron more quickly and prolong the job.

Q. How can I sew on buttons more securely?

A. When the button has four holes, try using a thread just in two holes, then another thread in the other two holes. If one thread breaks, the other will hold the button.

BROADMOOR "R" DAY IS SUCCESS

Saturday's "R" day in Broadmoor went over with a bang as 105 bike owners turned up at the Broadmoor police station to have their vehicles registered and have Scotchlite applied.

Lake Merced Post 9921, VFW, and its Ladies Auxiliary, with the help of the Broadmoor police department, sponsored the project.

The safety tape is applied in order to reduce accidents. The tape serves as a reflector and greatly minimizes accidents, according to Broadmoor Police Chief Ray Savage.

The registration of bicycles will wind up this Saturday.

In keeping with the theme of "R" day the veterans group and the Broadmoor police will conduct a bike race Sunday, March 7, beginning at 1:30 p.m.

Entrants for the race, to be held begining at Washington and Sullivan streets, are coming in steadily, Savage said.

Prizes will be given to the winner of the "heat" races in four classes, with a grand prize for the big winner in each of the four classes.

Winding up the event will be a "tiny tot trike" event, open to all tots in the Broadmoor Police district who have passed their third birthday, but who have not passed their sixth birthday. There will be a prize for the winning boy and

Dependent Kin Of War Dead Offered Assistance In Filing

Dependent survivors of American servicemen recently declared dead by the Department of Defense, are required by Floyd D. Granger, Veterans Service Officer of San Mateo county, to call at his office for assistance in filing claims for death compensation, insurance and other benefits.

Recently the survivors of some 4,000 officers and men, missing in action for 12 months or more in Korea, were notified that such personnel has been declared dead. The action was taken in acordance with provisions of the Missing Persons Act.

Granger said that claims forms had been mailed by the Veterans Administration to those listed by the servicemen as dependents. "However," he pointed out, "in many cases, the servicemen have been survived by dependents other than those named by them and so listed on Defense Department rolls." He quoted the fact that a widow may be named as next-of-kin, but that the serviceman may also be survived by a dependent parent.

"The question of entitlement may also be raised if a serviceman failed to list a beneficiary for his servicemen's indemnity or government insurance," Granger said. "Difficulties brought on by this and numerous other aspects of claim filing can often be overcome through counseling."

Granger advises dependent survivors, next-of-kin or not, to visit this office if they require help in securing the benefits to which they are entitled. The office is located at the Veterans Service Office, in the Courthouse, Redwood City, Calif.

The sixth grade has a new mural. Janice Gulden designed it. Valerie Pardini, Leslie Lane, Kathleen Miller, Linda Kerr, and Judy Orr helped to color the mural. The name of the mural is "Sugar Loaf Mountain at Rio de Janeiro."

Multiplying mixed number and fractions, reducing mixed numbers to improper fractions and other work in fractions keeps the arithmetic class busy.

"World News of the Week" is enjoyed very much by the class. This news always has a very interesting large map of the world on it. The numbers on the map correspond with the number of a news item below. The print is very large as the paper is used for display on a bulletin board.

Fifth Grade, Mrs. Fisher, Teacher

Our class has been extremely busy lately. We have had our second report cards, and we have had our mid-year tests. Now we are on our way into the second part of the year.

We have a new boy in our class. He is John Forcina.

Real soon now we will be studying government of our country. For the past month, we have been studying about transportation of our country. In conjunction with this Social Studies Unit, we made a trip to the San Francisco International Airport. It was a most rewarding trip for we saw a large plane and went through this plane from top to tip.

Now we will be busy getting our Essays read for the coming contest. The essay this year is to be about "What the Pledge of Allegiance Means to Me."

ALL PROGRAMS SUBJECT TO CHANGE ● NOT RESPONSIBLE FOR LAST MINUTE SCHEDULINGS

YOUR NEIGHBORS AND MINE

By Betty Brush

Hello, Neighbors:

The first three-day holiday of the year has come and gone. The weatherman was most cooperative and many of the neighbors took off to spend their days in the sun in various places. It really makes one start to think about the coming summer and all it's pleasures which won't be too long in getting here. In the meantime let's see what happened last week.

All the neighbors are glad to welcome home from San Mateo hospital little TONY LIGOURI, son of MR. and MRS. TONY LIGOURI of San Diego avenue, who was in there for a week with an eye operation. Tony is feeling fine now although he really does look comical in his little dark glasses which his brother and sister can't quite figure out.

The most exciting birthday of the week was spent by MICHEAL BRUSH of Winchester street who had his 13th birthday on last Saturday. He and his friends JOE & ANTHONY STAGNARO, BOB MURPHY, and IRVING CLEMO joined Mike in a day's fun at Playland at the Beach. Mike's mother took them all out there and then spent the rest of her time trying to round them up to go home. All in all a good time was had by all, including Mike's little sister, KATHIE.

Last weekend brought guests from Santa Cruz to visit MRS. DOROTHY STEWART of Vista Grande avenue. Her son, BILLY, wife FERN, and two children, LINDA and GARY, came up over the holidays to see grandma. Of course grandma Dorothy was most happy to see all of them as what grandma isn't

Items of Interest

Daly City has another new citizen this past week. MR. and MRS. NORMAN BROWN of Niantic avenue welcomed a new baby girl into their home last Tuesday. She is their fourth child and was happily greeted by her three older sisters. Of course a brother was asked for but they have decided to keep her as she is so cute.

Among the many who took to the highways last weekend were MR. and MRS. ALLEN BRUSH and family and MR. and MRS. WILLIAM BRUSH and their family. They all left early Sunday with other friends for Pinecrest to spend the day in the snow. According to them it was really beautiful and lots of fun. The children all spent the day making snowballs and having fun in general while the older folks tried the toboggan and other winter sports. Today they are trying the softest chairs in the house. Nevertheless it was really worth it and a grand time was had by all.

Another of the youngsters of our town is in the hospital. PHILIP LIBERTI of Winchester street is a very sick boy in U. S. Hospital. The main thing that worried Philip though was not how soon he would be better but that he had to miss Mike's party of last Saturday. That's alright Philip, you just get better fast and there will be lots of other parties. All your friends miss you and hope to see you back in school soon.

Joe's gone again! Who's Joe? Why naturally JOE LARSON. He and MRS. LARSON of Los Banos avenue took advantage of the three-day holiday to take off to their favorite spot—Boulder Creek. With the advent of the good weather the neighbors at home are going to see less and less of the Larsons and wouldn't it be wonderful to go with them. There is something about the country that really makes one feel like life is worth living.

A very sweet young lady had a birthday this week. Little ALICE KATHLEEN WALTON was three years old on last Monday. She celebrated the day with birthday cake and ice cream with the help of her family and some of her little neighborhood friends.

Here is an event that sounds like fun which is coming up. The EAGLE'S AUX. NO. 1848 are getting into the swing of the bingo craze. They are going to hold a telephone bingo game on March 2 and any of the neighbors interested may get in touch with MRS. PAT ARNAUDO of Willits street for further information. Sounds like fun, huh neighbors.

MR. WILBUR FELLOWS, son of Mr. and Mrs. Horace Fellows of Los Banos avenue has moved into a new home in Palo Alto to the delight of his wife. It just has everything. Bud teaches languages at the Menlo-Atherton High school and is one of best liked teachers on the campus.

Servicemen

Finally heard from my friend PVT. JAMES JASTRUMSKE last week. While we were waiting for Jim to write and of course wondering why he hadn't, Jim had been spending his time in the hospital at Fort Ord with pneumonia. Jim is better now and will soon return to duty. We knew that basic was rough but didn't think that pneumonia went with it.

CPL. ROBERT E. STONE of Korea and now Castle Air Force base with Uncle Sam's Army was home for the three day holidays. Bob has only a few months more to go and then he will get that all important piece of paper that returns him to civilian status again. It couldn't happen to a nicer young man.

The Marine Corps has added another recruit to it's roster. BENNIE PASSARELLI who has already completed four years with the U. S. Navy was home for awhile and then decided he would try the Marines. He left two weeks ago for Camp Pendleton where many another Daly City boy has been before him. Good luck, Bennie, and we are all sure the Navy's loss is the Marine Corps gain.

Had a long overdue letter from Germany last week. A2/c ROBERT MARTIN writes that duty in Germany with the Air Forces isn't so bad after all. He is a member of the ground crew at Frankfort Air Force Base and has lots of free time. He says the people are very kind and the town has it's quaint as well as modern parts. He has lots of off duty free time and has made many kind friends while over there. He has about six more months of overseas duty before he is eligible for rotation home.

The U. S. Coast Guard has it's hands full these days with a very worried prospective father. Seaman GENE PARIDAY is wearing out the phones and the patience of his buddies at the same time waiting for a call from his wife letting him hear the good news. These are anxious times everywhere, Gene, so take it easy. That baby will get here in due time and all will be well.

Had a phone call in the middle of the night last night from A2/c HAROLD "SKIP" AMES of the U. S. Air Forces who is on his way overseas. He is going to try and get a pass long enough to come out and see us before he ships out for overseas duty. At the present moment I am still waiting to see him. Skip is one of five young men who I have had the pleasure to know and entertain in my home. Each and everyone of them with the exception of one has now gone overseas. I still hear from them and they still call Daly City their home away from home. I hope Skip has better luck than Mac had who phoned that he was coming out and then shipped out before he could get here.

Among those who were NOT on one of the ships of Task Force 12 that arrived home last week is Fireman RICHARD E. NEGHERBON of the U. S. Hopewell, a destroyer on duty in the Japan-Korea-Okinawa waters. It will be awhile before the Hopewell is sent home and Richie says it can't be too soon for him. He likes destroyer duty but still can't understand why those who designed the ship didn't figure some way to make the thing stand upright at least once in awhile.

News and Views

The whist held by HILLCREST CIRCLE No. 143 was in the capable hands of MRS. GRACE HILL, MRS. WINNIE EVANS and MRS. ROSE GIORNI. There was a mix-up some place as the whist falling on a holiday confused some of the neighbors. Confusion notwithstanding there was a good crowd who had their usual evening's enjoyment. Leave it to the gals of Hillcrest to always put on a good game for their friends and neighbors.

This seems to be the week for youngsters to be in the hospital. DENNIS WALTON, son of the GEORGE WALTONS of our town and now Sharp Park spent a week in Green Eye Hospital for some needed treatment. He is now home and up and doing fine. His main gripe is that he has to either wear dark glasses or stay in the house, neither of which a five year old wants to do.

The three day holiday was just the excuse needed for the ALVISO family of Crocker avenue to take off to the Stumble Inn in Felton. Of course Maud and Art can't possibly go there by themselves so they stopped off in Redwood City and picked up two of their grandchildren, LINDA & DEEDI ROWAN and took them along with them. Their place in Felton always has and always will be the place to go for lots of fun in the sunshine.

Welcomed home from St. Luke's Hospital last week was JOE CASTELLANO of Santa Cruz avenue. Joe didn't leave his ulcer behind but it is now under control and he can eat a little but not the things he likes. He has a diet that we all could follow and not gain an ounce but Joe would rather be able to eat his wife Mary's good cooking. Take it easy Joe and in due time you will be off that horrible stuff. In the meantime think how proud you'll be of that slim and trim waist line that you are getting.

The latest victim and very sick young man at that, of the flu, is little JOHNNY WALTON of Knowles avenue. Little John is one of the youngsters of the neighborhood that at five years has more personality than most people ever acquire in a lifetime. He is almost six and I have yet to see him without his big smile and cute little way of saying hello. I am glad to report that he is better now and we'll be seeing him out to play soon.

Well, neighbors, that does it for another week. This is the last paper which will have a February date and March with all it's winds will be here soon. March will also bring Lent and good old St. Patrick's Day so I'm sure there will be more news of interest to all as time goes on. Remember the phone is still PL. 5-6482 and if you can't get me during one part of the day just keep trying. I'm always waiting to hear from all of you. 'Bye now.

LOCAL BALLERINAS TO APPEAR SOON

YOUTHFUL ballerinas are these local girls who will be seen in coming ballet presentations by the Ballet Petite, a junior ballet composed of 33 children between the ages of 7 to 12 years. At right is Mary Ann Laramie of Daly City, who will appear in two ballets, and Judy Del Zompa of Broadmoor, who is to perform as one of the premier ballerinas.

Two Local Ballerinas Rehearsing For Ballet

Two local ballerinas are members of the recently organized Ballet Petite, a junior ballet company of 33 children between the ages of 7 to 12 years.

They are presently rehearsing for a coming ballet symphony concert that features ballet petite in the original version of Chopin's "Les Sylphides" and Tchaikovsky's ever popular "Nut Cracker Ballet" and will be assisted by the California Youth Symphony under the direction of Aaron Stern. The performance will be held at the new South San Francisco High school auditorium Saturday evening, March 27.

Miss Mary Ann Laramie of Daly City appears in both ballets, while Miss Judy Del Zompa of Broadmoor Village is one of the premier ballerinas and will also be featured as the "Sugar Plum Fairy."

SET SPECIAL MEET FOR PACK 248 "A" TEAM

A special meeting of Cub Pack 248 "A" team boys and their parents will be held tomorrow (Thursday) night at the Westlake clubhouse, Coach Walter Dunan announces.

The meeting will be for "A" team boys and parents only, Dunan emphasized.

The session wil begin at 7:45 p.m.

Dunan said a time change has been made in this Saturday's contest against Pack 85 of the American League to be held at the diamond on 28th avenue and Vincente street.

The game will begin at 3 p.m. instead of 2 p.m., as announced earlier.

MERCED DISTRICT HOST TO MERIT BADGE OFFICIALS

The Lake Merced district, San Francisco Boy Scout Council, was host Thursday night to merit badge counselors from all parts of the city at a Merit Badge Counselors staged by the San Francisco Scout Council at Everett Junior High school.

Dr. Jesse F. Rathbun of 468 Hazelwood avenue, Lake Merced district advancement chairman, was master of ceremonies for the evening, assisted by the following men from the Lake Merced District: Frank N. Dyer, Troop 143, committeeman, and Dr. Jerome Strain, Troop 143 committeeman, sponsored by Southern Pacific American Legion Post No. 412. William E. Turpen, Scoutmaster, Troop 88, sponsored by Forest Hill Association.

Purpose of the conference was to standardize the subject matter of the 105 merit badge subjects offered by the Boy Scouts of America as they are taught by some 300 merit badge counselors in San Francisco.

The Boy Scout merit badge program covers a wide area of interests and hobbies for boys—outdoor life, sports, personal improvement, citizenship, public service, art, crafts, and vocational subjects.

It offers an outlet for a boy's curiosity about the world and provides him with a chance to discover his particular lifetime interests and abilities.

The Thursday night session, which lasted from 7:30 to 9:15 p.m., included a showing of films illustrating the procedure used by merit badge counselors, and a dramatic sketch presented to show how a counselor conducts his interviews. The counselors then split into panel groups to discuss their particular subjects.

To qualify for the position of Merit Badge Counselor, a man must be an expert in his field or avocation and able to volunteer enough of his time to teach boys interested in that subject. He serves first as a coach to the boy and then as judge of whether the boy has met the requirements well enough to receive his badge.

The merit badge itself is recognition given to a Boy Scout (11-13) or Explorer Scout (14-18) for knowledge and skill gained in the merit badge subject. When a boy has earned 21 badges, he is eligible for the Eagle badge, signifying the highest rank in Scouting.

That's why we say that Chair Car travel on an SP streamliner is the most luxurious form of all low-cost transportation. Try it and see!

Nicholas, Bricker Rites Held at OLPH Church

A double ring ceremony at Our Lady of Perpetual Help church Sunday joined Miss Barbara Lorraine Nicholas and Fred J. Bricker Jr., both of this city.

The Rev. Norman Allen officiated.

The bride was attractively attired in an ankle-length gown of nylon tule with net over satin underskirt, scallop neckline and chantilly lace bodice, and long sleeves of lace.

Lace Hankie, wedding dress, pearls and a garter comprised the "something old, new, borrowed, blue," respectively.

She carried a bouvardia bouquet with a white orchid center and a veil adorned her head.

Matron of honor was Barbara Stremme, who was dressed in a pale green, ankle length gown with a blue jacket. Headpiece was green with pink blossoms sprayed throughout.

Attending the groom was Fiasto Rithman, best man, James Bricker and James Nicholas, ushers.

The bride's mother wore a short sleeve dress with a white background, patterned with a criss-cross, and had a light orchid.

The new Mrs. Bricker is the daughter of Mr. and Mrs. James G. Nicholas of Daly City, while the benedict is the son of Fred J. Bricker Sr., also of this city.

Barbara was graduated from Jefferson Union high school and is now employed as a private secretary at the Military Sea Transportation Service in San Francisco.

Bricker was also graduated from Jefferson and has been employed with PG&E, State Forestry service and THE RECORD.

A reception banquet followed the ceremonies at the Club Casino. A five-tier cake topped off the refreshments.

The couple will honeymoon in July.

Special guests were J. D. Worley of San Mateo, Mr. and Mrs. George Lasater of Oakland, and Capt. and Mrs. E. S. Cormick of Los Altos.

HILLSIDE PTA MEMBERSHIPS AWARDED TO TWO

Two life memberships were awarded at the last meeting of the Hillside PTA which was held at the Colma school. Mrs. A. J. Gaggero and Mrs. Thomas Mullen were the honored recipients. Both of these individuals have worked unselfishly for the welfare of children in this community. They have been busy in civic, charity and church work. The Hillside unit felt it a great honor to be able to present the award to them.

Corsages were presented to the guests who hold life membership awards, by Mrs. T. Mullen, chairman of the Founders day program.

Mrs. Harry Caplan, president of the 17th district of Parents-Teachers, was the guest speaker. She reminded the people of all the good the PTA has accomplished in the past years. The PTA and the school are almost one now, because of mutual problems, she said.

Mrs. Caplan explained that the district has just completed a study on alcohol and the narcotic problem. Judges, ministers, probation officials, principals, students as well as others were interviewed of opinions on this problem. "The main thing is to educate your children to the evils of alcohol and narcotics," says Mrs. Caplan.

The realization that parents were giving cocktail parties for their children when they graduate from high school, was an astounding fact. They are just as responsible as the bar tender who might sell to minors. Drinking leads to sexual misbehaviour as well as accidents on the highways, involving too many innocent beings, she added.

Mrs. Caplan illustrated in her talk how critical the teacher shortage was becoming to us. She said, "We should encourage young students to train for teaching. The greatest need, at the moment, is the need for high school teachers. As parents in the Hillside unit, you will feel that need as our seventh and eighth graders go into high school soon."

Mrs. Caplan is a busy person. Beside meeting with so many different groups for discussions and panel work, she finds time to be a room mother for her two elementary school boys.

The Founders day meeting was closed with Mrs. Mullen asking some of the life membership holders to assist in serving the birthday cake to the group. Those who served were Mrs. Carl Berg, Mrs. Wm. Cheatham, Mrs. E. Hobbs, Mrs. A. Eason, Mrs. Fred Kruse and Mrs. A. Ingersoll.

REV. KONZELMAN LEAVES FOR POST IN LOS ANGELES

A few weeks ago, the Rev. Robt. G. Konzelman, who had spent five successful years as pastor of the Lutheran Church of Our Savior (American Lutheran Conference), Junipero & Garfield, San Francisco, had to leave his congregation to accept an important assignment at Los Angeles.

In the meantime, the management of the church is resting with the president of the church, capable Mr. Enfrid G. Benson, who has

The Rev. Konzelman
. . . L. A. Assignment

been able and fortunate enough to secure Dr. Gerhard Lenski to conduct services on Sunday.

A guest professor, teaching systematic theology at the Pacific Theological Seminary at Berkeley since late in 1952, a navy chaplain during World War I and still connected with Capital University in Ohio and one leave from his pastorate at Washington, D.C., Dr. Lenski will be heartily welcomed by Our Saviour Church. There he may be present for several more Sundays, before a permanent minister will assume his duties at the church. Among those must be counted the administration of the church's new educational unit, which is nearing completion. A recent, anonymous gift of $1500 helped speed it along. During lent, beginning March 4, the Rev. Darrel Schultz of the Lutheran Church of the Good Shepherd, San Francisco, will hold special services every Thursday night from 7:30 to 8:30. The development of the church, therefore, lies in good hands at present and should make sturdy progress in the future.

Observe Guest Day At Vista Grande

Guest day is being observed at the Vista Grande Christian church Sunday. The church is located at 101 Vista Grande avenue. Howard Patrick McConnell is the minister.

His sermon subject at 11 o'clock is "By-products of Religion." After the service Fireside hall friendship moments will be observed with coffee and tea being served. There will also be something for the children.

The Christian Youth Fellowship meets Sunday evening at 7 o'clock in Fireside hall. Harold and Dorothy Emmert are sponsors.

Hobby classes are starting on Wednesday evening. Charles Baldinger will open his photography class at 7:30 o'clock. There is no enrollment fee. Those wishing to enter may do so by being present.

The Bible study hour is held Thursday evening, 7:30 o'clock. The choir also rehearses at the same hour.

The Chi-Rho group meets in Fireside hall Friday evening with Keith Sigars sponsoring the group.

Dr. McConnell flies to Ukiah directly after the morning service to dedicate the beautiful new building of the First Christian church in that city. He will return Sunday evening.

LENTEN SERIES TO START AT HOPE LUTHERAN

Hope Lutheran church announces a series of timely Lenten Devotions which will begin on Ash Wednesday, March 3, and will be held every Wednesday evening during the six weeks of Lent. The brief early evening Vesper Services begin at 7 p.m. at the Broadmoor community center, White street near 87th street.

At each Vesper Service Rev. Louis C. Marting, Pastor of Hope church, will deliver a brief sermonette on the important subject: "How the Cross of Christ Changes Our Lives."

The subject for the first Devotion on March 3 will be: "How the Cross Changes Grief to Glory."

The treble choir will offer special devotional Lenten music at these services each Wednesday.

Lent is that traditional season of the church year when Christians all over the world pause to refresh themselves not only with the facts of Christ's suffering and death, but their mean for our lives today. A contemplation of these Passion scenes cannot help but increase faith and intensify our desire for a more Christlike life.

You are cordially invited to attend these Lenten Services every Wednesday, from Ash Wednesday until Easter, and also the regular service every Sunday at 11 a.m. and Sunday School for all ages at

Presbyterians Start Preparations For Lenten Activities

The Broadmoor Community Presbyterian church began its preparation for Lent last Sunday when the minister, the Rev. John A. Glasse, spoke on the subject "What Christ Is To Us." That message will be informally discussed Sunday at 9:45 at the "coffee hour" when the people may in a sense "talk back" to the minister by giving their reactions or asking questions.

That is the basis upon which this series is to operate. At 11 o'clock a message is given by the minister one Sunday at 11 o'clock, and discussed the following Sunday at 9:45. Accordingly, Glasse will speak next Sunday on "What It Is To Be A Christian," and that message in turn will be discussed at 9:45 the following Sunday.

Persons unable to attend both morning periods are welcome to attend either at their convenience, and to avail themselves of the helpful Lenten pamphlets to be had from the church library at all services without charge.

SPECIAL MID-WEEK SERVICES WEDNESDAY AT BETHEL LUTHERAN

Auxiliary Fund Drive For Red Cross Is Necessary In March

An auxiliary membership fund drive for the San Mateo county chapter, American Red Cross, will be necessary in March because the chapter received from the United Crusade approximately $29,000 less than its minimum goal of $134,605, according to an announcement made today by Chapter officials. The United Fund has approved and will cooperate.

D. G. Minto, chapter chairman, has made the following statement to residents of the chapter area: "There will be no door-to-door solicitation in residential districts in March. Other plans are being made to raise the money. Our present goal, which is slightly less than that for 1953, was determined after careful study by the chapter's finance and budget committee and is the minimum amount needed to carry on our work, locally, nationally and internationally. Demands for local services have grown in proportion to the growth of the county and we cannot let our neighbors down. Our Red Cross must be ready to serve where needed.

CHAMPIONSHIP AT STAKE FOR JEFFS TONIGHT

SOUTH CITY LAST HURDLE TO TIE FOR PAL CROWN WITH CAPUCHINO

Jefferson High school's varsity cagers meet traditional rival South San Francisco tonight (Friday) at 7:15 p.m. on the home court in a contest that will determine whether the local team goes on to its second straight Peninsula Athletic league championship.

If Coach Mike Orlich's Jeffs win tonight they will wind up in a tie with Capuchino for league honors, providing Capuchino gets by Half Moon Bay. Both teams have 10-1 records and are expected to add another win to their respective records tonight in the final regular season contests. If the league winds up in a deadlock the championship will be decided in a sudden death playoff.

However, the South City-Jeff contest is always a hard game to make book on. In the opening round of play the varsity handily disposed of the Warriors, while the Daly City 30s were handed a setback.

Back Into First

The local varsity moved back into first place Tuesday by reversing a decision against Capuchino, 53-43. Their only loss this season had been to the Mustangs in the first round of play.

Although high-scoring Forward Don Delbon was off his usual pace, netting only nine points, Guard Tom Costello made up for his inaccuracy, hitting from everywhere to pot 20 for the afternoon.

Wally Honeywell tanked 11, making good on 5 of 7 free throw tries.

The win could be attributed mainly to the Jeff defense, as they strangled Capuchino's leading scorer Roger Solam without a single point. Last year's second-string PAL performer was hounded by the efficiency of the Indian zone, and more particularly by Costello. Had Solam hit for his usual quota, the game could have gone the other way.

Gurley Watches Delbon

The Mustangs' Gary Gurley kept pretty close tab on Delbon, but it was mainly the hot-shot forward's inaccuracy and "bad luck" that kept his point total from swelling to two figures.

The game was close only once, being tied 12 all at the end of the first period. At half-time it was Jefferson, 29 to 23, and the locals maintained the lead, heading the Caps, 44 to 37, at the third quarter's close.

Costello kept the local five at a comfortable margin by hitting from way out, or faking and driving in for jump shots and lay-ins.

30s Fare Worse

Coach Tony Giammona's 30s fared less well, dropping a 41 to 32 tilt to the little Mustangs and losing their opportunity at a piece of the PAL lightweight championship. Bill Storch accounted for an amazing 20 points for the losers, half of them coming on charity tosses. The aggressive Jeff made 10 out of a total of 17 attempts.

It was close at the first period's end, with the Caps holding an 8-7 edge. The Mustangs pulled away, 21 to 17, at half-time and maintained the lead throughout the remainder of the game.

The 30s now have three losses, against seven wins, while South San Francisco and Capuchino have 8-2 marks, placing them in a tie for first.

Double Killing

In Friday's contests against Burlingame, the locals copped a double win. The varsity walked over the Blingums, 50 to 38, while the lights took a 43-41 set-to that wasn't as close as the score indicated.

Delbon notched 16 to lead the varsity, while Rich Watso dropped 17 for the 30s to win scoring honors. Al Lagomarsino was runner-up with 14 tallies.

The varsity fracas was a rout all the way and the 30s had a comfortable lead until the final minutes of play.

SHARP PARK & BRISBANE PACE REC BASKETBALL

The undefeated Sharp Park B's and the Brisbane A's lead at the Mid-point of the Daly City Northern County Tournament. Last Saturday Brisbane drilled OLPH, 46-10. Gary Ryan starred for Brisbane as the high point man with 17 markers. Joe Murphy put on 5 for the OLPH'ers but could not save his team from the hot Brisbaners.

Second place Sharp Parks A's also continued their winning ways by dumping Colma 31-9. Displaying a sizzling offense and a sparkling defense, Sharp Park took command of the game early in the second quarter and methodically murdered Colma.

In the B league undefeated Sharp Park walked over OLPH, 19-7. Marvin Wise scored 6 points for the winners while Joe Millett tallied 5 for the losers. Strong Westlake showed a great deal of improvement in defeating Brisbane, 24-11. Ross Holmgren scored 7 while team mates Steve Opperman and Larry Milani put in 6 each.

Daly City had a tough time with Colma and just did squeeze by in a 16-15 thriller. Little Ron Kalinin scored 8 for the winners. Saturday the Brisbane A's and the Sharp Park A's meet in the feature game. OLPH vs. Colma rounds out the A League.

In the B league Westlake meets Colma, Daly City meets OLPH and Sharp Park meets Brisbane.

Impromptu Ballet Caught By Camera

THE CELLAR was the destination for Brisbane's "B" team Saturday as they dropped a 24-11 contest to Westlake in northern-county basketball league play at the community center. Westlake missed on this attempt to score, as unindentified Brisbane cager grabs off rebound, while Westlaker does an impromptu ballet. The win moved the Westlake team into a tie for second spot with Daly City in "B" play. Each have two wins, one loss. Sharp Park continues to pace the "B" circuit with three wins, no losses, while Brisbane "A's" have an equal mark to lead their league.

LOCAL GOLFERS QUALIFY IN SF CITY OPEN

Three Daly City golfers and five Lake Merced representatives qualified last weekend in the championship flight of the San Francisco Open tourney, which will begin Saturday at Harding Park.

The local trio who came home in 78 or under, which was qualifying score, were: Bob Silvestri of Westlake, 71; Einar Hanson of Daly City, 74; and Roy Hart of Daly City, 75.

Lito Landi of Sharp Park also qualified with a 77.

Merced Country club contestants who made the grade were: Dick Eichler, 77; George Stundinger, 76; Ed Castagnetto, 77; Harvey Ward, 74; and Dr. Bob Thompson, 76.

L. J. Gazzano, assistant cashier at the Westlake Bank of America, missed gaining the championship play by one stroke, touring the course in 79.

The low 64 of the 378 competing last weekend qualified.

Liberty Monument, dedicated to the city by Adolph Sutro in 1887, tops Mounty Olympus, one of San Francisco's landmarks.

SARTO AC CLINCHES FARM LEAGUE CROWN

Farm league basketball play wound up last night at the community center with Sarto A.C. clinching the championship.

Going into last night's competition the Sarto club had four wins, no losses. They were scheduled to meet the Daly City Police Department.

Tuesday night was marked with an odd sort of upset, as Ralph's Cleaners squeaked by the Police Department, 28 to 23, in the lowest scoring game since the league opened.

Forward Wayne Plunkett led the way for Ralph's with 12 points, while Ray Vuillemainroy got 11 for the losers.

In another unorthodox contest Tuesday, the Fire Department wallopped Tromborg's, 68 to 18. Larry Kennedy netted 21 for the firemen, while teammate Rich Gonzales scored 19.

The plumbers failed to score a point the first quarter.

Bill Thomas got 10 for the losing quintet.

The loss of leading scorer Kelly Ellifson hurt Tromborg's cause.

Thursday night the firemen dumped Ralph's, 48 to 44, in one of the closest games seen all season.

The game was deadlocked at half-time, 19 to 19, and again at the end of the third quarter, 29 to 29.

Gonzales netted 14 for the winners, while Wilbur Pierce got an equal number for Ralph's.

Sarto won a forfeit from Gigli last Thursday, as the plumbers failed to show.

Sarto will represent this city in the north county adult tourney to be held soon, while the league runner-up will also compete. Runner-up will have to be decided in a play-off.
